Student Verification

We are pleased to announce that we have established a partnership with **Inceptia** to expedite the federal verification process for Capital Community College. **Verification Gateway (VG) from Inceptia** is an online portal to guide students and parents through verification.

If your FAFSA application is selected for verification by the U.S Department of Education, you will receive an email from VGCS@inceptia.org, or postcard from Inceptia, containing Capital Community College's unique website link to start the verification process.

We encourage you to begin the verification process within 7 days of receiving notification from Verification Gateway to ensure you receive your financial aid in time for payments. Failure to complete the verification process could result in the delay or denial of your financial aid.

Follow these steps to complete your verification:

· Access our school's unique website link in the email from VGCS@inceptia.org or listed below.

· Create your account and choose preferences for text messages and e-signatures.

· Complete your Task List.

· Confirm your signature and review your information.

· Sign your account.

*If you are a dependent student, your parent also needs to create their own account and complete each of these steps.
