Please read carefully: The purpose of the Equity Center is to provide essential supports so you can stay in school and be successful. An Emergency Microgrant is to assist you in overcoming a financial emergency so you can then focus on your studies. Equity Center staff can assist you with removing other non-academic barriers to success. Please contact us for more information.

Please note: We will review your application as soon as possible. However, the payment process may take up to three weeks. You will receive an email once your application has been approved. Make sure you follow the procedures. Thank you for your patience and understanding.

Microgrants are funded primarily by the Capital Community College Foundation.
